✉ enoch@lindeman.family ☎ (619) 333-8221  
in www.linkedin.com/in/enoch-lindeman 📍 San Diego, CA

## SUMMARY

I am dedicated to empowering individuals through innovative technology so that they can face their challenges with resilience to create a more hopeful world for all.

## EXPERIENCE

### Information Technology Support Specialist

Tolleson Union High School District

📅 Jun 2022 – Ongoing

📍 Avondale, AZ

- Was first point of contact for all issues regarding internet- connected devices on large high school campus
- Ensured all staff & students' devices met their needs, allowing educational environment to operate seamlessly
- Built Microsoft Power App with O365 and SharePoint data integrations to deliver relevant information to users
- Made possible a reduction in user information requests of over 90%, eliminating time users spent waiting for data

### Owner & Software Developer

by The Lindemans

📅 Dec 2022 – Ongoing

📍 Glendale, AZ

- Built a brand with broad social media presence, targeted ad campaigns, and storefronts on numerous platforms
- Strategic targeted marketing of books resulted in 3:1 return on investment in ad spend
- Conceived, researched, and currently developing chronic illness management app with feedback from potential users in target audience at every stage

### Mission Technology Specialist

The Church of Jesus Christ of Latter-Day Saints

📅 May 2020 – May 2022

📍 Syracuse, NY

- Supported over 3,000 users and devices transitioning from fully in-person to fully remote in Q2 2020
- Laid groundwork for and aided in the production and marketing of successful online ad campaign effort
- Automated production of congregation's weekly program
- Created decentralized framework for identification and classification of service opportunities, allowing for increased utilization of volunteer time

## EDUCATION

### Bachelor of Science in Technological Entrepreneurship and Management

Arizona State University

📅 Expected May 2026

📍 Online

- Currently 4.0 GPA
- Pursuant to a Master of Science in Computer Science concentrating in Big Data Systems (Data Science and Machine Learning)
