📍 Utica, NY

SUMMARY

Administrative and program support professional with direct experience in documentation, data tracking, and multi-system coordination. Managed records and progress notes for hundreds of students across concurrent programs; built original systems from scratch with no template or prior framework. Comfortable working independently in a remote setting, handling diverse workloads with accuracy and a high level of professionalism. Drawn to mission-driven organizations where organized, detail-oriented support makes a real difference for families.

EXPERIENCE

Technology Special Area Teacher

📅 Mar 2022 – Mar 2023

Fowler Elementary School District

📍 Phoenix, AZ

- Maintained detailed progress notes and records for 400 K–5 students across concurrent programs; tracked individual participation, support needs, and outcomes across multiple sessions and workstreams simultaneously.
- Managed scheduling and logistics for 6 daily pull-out reading intervention groups (2–6 students each), coordinating independently with classroom teachers and managing meeting setup and follow-through across the full school year.
- Built an original digital literacy curriculum from scratch for 400 students with no prior framework or template; developed 8 project-based units covering technology fundamentals, achieving a 90% completion rate.
- Organized a four-month after-school STEM program meeting three times per week; handled all coordination, scheduling, and materials logistics for 10 students across 16 sessions.

- Provided on-demand documentation and operational support to 13 teaching staff: drafting materials, maintaining classroom records, and covering coordination gaps with minimal direction.
- Adapted plain-language communication to diverse audiences in real time, including students, families, and professional staff; sustained clear, accurate written and verbal correspondence throughout.
- Demonstrated ability to manage a high-volume, fast-paced workload independently while maintaining accuracy, professionalism, and consistent follow-through across all assigned responsibilities.
- **Sustained 100% participant engagement across reading intervention groups for the full semester, managing all scheduling, facilitation, and record-keeping independently.**

Technology Specialist

📅 May 2022 – Aug 2022

Fowler Elementary School District

📍 Phoenix, AZ

- Maintained accurate asset and issue documentation across 7 district schools; cataloged devices, tracked repairs, and ensured records reflected current status for district-wide inventory.
- Performed data entry and record management tasks under tight timelines during the summer and back-to-school ramp-up period, contributing to district readiness across multiple sites.
- Communicated troubleshooting steps and procedural updates in plain language to staff with varying technical comfort levels; confirmed outcomes and followed up to reduce repeat issues.

- Coordinated competing urgent requests in a high-interruption environment while maintaining detail accuracy and professional demeanor throughout.
- Assisted with physical classroom setup, device imaging, cable runs, and asset tagging across 7 schools; operated as part of a centralized team supporting district-wide operations.
- Escalated unresolved issues through appropriate channels to ensure continuity of service and accurate documentation of outcomes.

Owner & Digital Media Specialist

📅 Dec 2022 – Jan 2025

By The Lindemans

📍 Glendale, AZ

- Managed all business operations independently including storefront administration, content publishing, database maintenance, and compliance tracking across two platforms.
- Maintained consistent documentation and organizational systems for product records, order tracking, and communications across KDP and Redbubble storefronts.

- Directed a multi-channel social media and content strategy across Facebook, Instagram, and Pinterest; grew monthly page traffic by 60% through consistent, audience-focused publishing.
- Applied S.M.A.R.T. goal-setting and project planning practices to manage a diverse workload solo, balancing content creation, operations, and marketing simultaneously.

EDUCATION

High School Diploma

📅 May 2022

South Ridge High School

📍 Phoenix, AZ

3.9 GPA; pursuing further education when opportunity allows.
