EXPERIENCE

Owner & Digital Media Specialist

📅 Dec 2022 – Jan 2025

- Conceptualized, illustrated, and launched a series of guided journals; led product design and directed marketing, delivering a 60 % increase in monthly page traffic.

Technology Specialist

📅 May 2022 – Aug 2022

- Provided frontline technical support for staff, quickly diagnosing issues across classroom technology, AV equipment, and software to restore service with minimal disruption.
- Assisted with device setup, imaging, and user readiness tasks to support school operations during the summer and back-to-school ramp-up.
- Documented fixes, recurring issues, and user needs to support accurate follow-through and consistent resolutions.

Technology Special Area Teacher

📅 Mar 2022 – Mar 2023

- Developed and delivered a hands-on digital literacy curriculum for 400 K–5 students, guiding them through 8 interactive projects with a 90% completion rate.
- Organized and facilitated a four-month after-school STEM program (three sessions per week) for ten grade 3–5 students, guiding them through 16 hands-on weekly engineering and coding challenges.
- Maintained accurate notes on student progress and support needs to enable consistent follow-through across sessions.

EDUCATION

High School Diploma

📅 May 2022

3.9 GPA; looking to pursue future education when opportunity allows.

SUMMARY

I am dedicated to sharing compassion with others, so that they can feel empowered and validated, and to share in the joy of their breakthroughs.

By The Lindemans

📍 Glendale, AZ

Fowler Elementary School District

📍 Phoenix, AZ

- Created and optimized digital art assets for 200+ dropshipped goods, achieving a 25% rise in conversion rate and a 15% lift in average order value.
- Communicated troubleshooting steps in plain language, confirming outcomes and next steps to reduce repeat incidents and build user confidence.
- Coordinated urgent requests in a high-interruption environment, prioritizing time-sensitive issues while maintaining attention to detail and professionalism.
- Escalated higher-risk or unresolved issues through appropriate channels to ensure timely resolution and continuity of service.

Fowler Elementary School District

📍 Phoenix, AZ

- Provided on-demand support to 13 teaching staff, troubleshooting AV and software issues, drafting lesson materials and covering classes as needed; allowing for 2 hours additional instructional time per day.
- Facilitated small-group reading workshops that improved struggling learners' literacy levels; sustained 100% participation for the semester.
- Communicated clear expectations and step-by-step instructions in plain language, adapting explanations to participant needs in real time.
